In support hereof, Defendant states as follows:

1. No prior request for an extension of time has been made.
2. Plaintiff suffered a medical issue Monday, July 8<sup>th</sup> that has made it between painful and impossible to sit in front of a computer to prepare or deliver documents for the week of July 8<sup>th</sup> through July 12<sup>th</sup>.

Plaintiff has been bed-ridden the entire week. This medical issue is not new, is intermittent, and is documented. This happens to plaintiff once or twice a year and usually recedes on its own with rest, plaintiff hopes to be functional shortly.

3. No scheduling order has been entered. Accordingly, no deadlines will be impacted by the granting of this motion.

4. Even preparing this motion was painful, and taking an Uber to deliver this notice to the District Clerk today will be incredibly painful, especially compared to the relative ease with which this document could have been delivered to the court by e-file.

WHEREFORE, Plaintiff respectfully requests a fourteen (14) day extension of time for the aforementioned motions and papers, until the corresponding dates listed on the table above, within which to reply to defendants' motions.

Respectfully submitted,

/s Anthony Trupia
